UKI International Challenge Event (I.C.E.)

- Run under UKI rules and regulations.
- The aim of the I.C.E are to give UKI competitors an opportunity to run courses designed by some of the high profile judges who will be judging at the 3 main international events in 2025 of FCI AWC, European Open, or WAO.
- There are 2 levels: International I.C.E for dogs in the Champ level of the UKI international Program and Rookie I.C.E for dogs in the Beginner & Novice UKI International Program. Dogs may only run in one event.
- Senior UKI international level dogs may choose either International I.C.E. or Rookie I.C.E. If a Senior dog is mistakenly entered into both events, the dog will be put into the International I.C.E. and a \$10 admin fee will be charged to the handlers account for deleting the other entry. Any refund charges will also apply if paid online.
- Freedom in course design and challenges is down to the designing judge and will not be changed by UKI.
- Designers will be requested to design the International I.C.E. at the level of the championship they are judging this year and the Rookie at the FCI A2 level. (Please note for Rookie, the A2 level is the middle level of 3 levels at FCI)
- The international I.C.E level must run the Jumping class first, followed by the Agility.
- The Rookie level can begin with either class running first.
- There is a separate competition for each jump height at the event
- Both classes must be run by the same dog/handler partnership.
- The events consist of a Jumping class & an Agility class with scores combined.
- Least faults win with time used as a tiebreaker in all aspects of event.
- In the event of an overall tie, the result of the Agility class will decide the Winner. If there is still a tie a run-off will be required on the last class run.
- Dogs must compete in the height they are running in the International Program at this trial where the I.C.E is being held.
- Winning International I.C.E. partnership gains an invite to the 1-TDC Invitational and bye into the 2nd round of the US & Canadian National Championships 2025.
- Winning Rookie I.C.E. partnership can choose to automatically move the dog to UKI Champion level in both International and Speedstakes programs. Plus, will gain a bye into the 2nd round of the US & Canadian National Championship. (Rookie does NOT gain a invite to the 1-TDC Invitational.
- Classes will run in strict running order. Running orders will be randomly drawn for the first round of each class and will run in reverse order (seeded) for the second class.
- Running order conflicts to follow Masters Series Heat rules (refer to Masters Rules in the premium)
- Eliminations in first round will still progress to second round, with E's running random in the beginning of the RO for the second round.
- An elimination = 100 faults with a 60 second course time. An absent or NFC run = 1000 faults with a 60 second course time.
- A no show in either round will negate placing in the I.C.E including any awards or prizes.
- Clear rounds in either class will count towards the dog's International Program level progression.
- UKI reserves the right to rule at the event on anything not covered in these rules. Any amendments to these rules will be announced to competitors either in the confirmation information or general briefings.

If a competitor does not wish to receive emails from these sponsors, they must email the show management before the close of the trial entry date to declare this, ensuring they receive a receipt email that this information has been received by the trial management.

Masters Series Tournament Rules

The aim of Masters is to encourage more competitive running in UKI classes and improve the overall standard of top level agility. The Masters has been created for dogs and competitors whose goal is to compete at both National and International level.

General Rules

Open to all UKI level dogs including Select heights. Separate competition for each height. Agility and Jumping rounds with results combined. Handlers must run in strict running orders, failure to do so will result in elimination. Either Agility or Jumping classes may run first. If a handler has 2 dogs entered within a jump height, they may move their first dog up so that there are as many dogs as possible between their dogs. If this is not possible, they will receive a 6-minute break. If a handler has more than 2 dogs within a jump height and the entry is not large enough for a sufficient gap in between all their dogs, the first of their dogs drawn will be allowed to run in between a jump height change, if a jump height change is available before their height. If it is not, the final decision will be made by the judge and show manager, taking into consideration fairness to the competitor and other entrants in the Masters Class. Day of Entries must run first within the running orders of the first class. The second class must run in reverse order of placing from first class. The dog must run in the height that he will compete at in the Masters Final. The same dog and handler must run both rounds. Only the handler who qualifies the dog through a Masters Heat, may run the dog in the US Open Masters Final. Any extraordinary circumstances to be ruled by UKI.

Scoring

Standard UK Agility Marking will apply. Faults converted into seconds. 5 faults = 5 seconds. Time faults treated the same as course faults. An elimination = 100 faults plus 60 second course time. An absent or NFC run = 1000 faults with a 60 second course time. Dogs with an absent or NFC run in either the Agility or Jumping will forfeit any Q's or awards gained in the other round; in other words, both rounds must be run for competition. Dogs with double elimination will not be placed. An E in the individual round will not be placed in that round. Dogs with the lowest score will be deemed the winner. In the event of a tie, the Agility result will be the deciding factor, followed by the jumping result. If a tie still remains, a runoff will be required. If there is a tie for the Individual class wins, a runoff will be required on that course to determine the winner and subsequent placings.

Final Qualification: 2 ways to qualify for the Final to be held at the UKI US Open:

A. Individual Winners (per height) of the Masters Agility or Masters Jumping class (even if an E is earned in the other round).	B. 1st & 2nd Overall (per height) (even if an E is earned in one of the rounds).
---	--

Prizes:

Of the Prize entry fee; \$5.00 is placed in heat prize fund. Each height has its own prize fund and will be divided as per Masters "Prize Money Guide". Prize fund is for overall winners only. \$1 from each entry fee will be split & placed in the Final prize fund and Team USA WAO fund. In the event there is not a monetary winner within a height, the prize money will be sent to UKI to go towards the Final prize fund.
